A reminder of what happens on the day of the competition

- The competition will run from approx. 9am to 2pm. Programmes are available on the day and will include all gymnasts' names and the round they are in but round information is also above.
- After registration or just before their slot, gymnasts will warm up with their coach in the squash court room and they will be guided on where to go, what to do and when.
- Once all gymnasts have finished their rounds, there will be a presentation, after which, gymnasts will exit with their parents.
- The day is designed to be fun and a fund raiser for both clubs so there will be other side stations such as a tuck shop; official photographer and a uniform pop-up shop so please give generously for your child's club.
